In art we made plaster masks. We put wet plaster-of-paris on our faces or arms and let it harden. Soon we will paint them. We sure made a mess!!!!!!!

We have just finished a great election. Candidates Eva Killenberg and Milana Zuco did a great job during our pretend debate. The voters had a hard time deciding who to vote for, but once all the votes were in we would like to congratulate Eva Killenberg. She has been leading us in great lessons and we are excited about the fun things she has in store for us this year!

## Poetry

### The Natural Cycle

It's a natural cycle for the seasons to change from winter, to spring, to summer, to fall.

If the seasons change don't be alarmed for it's all part of the natural cycle.

If the leaves change color don't be scared for it's all just part of the natural cycle.

If the weather is uneasy don't be frightened for it's all part of the natural cycle.

Seasons, leaves, and weather changing is all part of the natural cycle.

### Running

*Thump. Thump, Thump,*

My feet just touch the ground.

*Thump, Thump, Thump,*

I fly like a bird across the green, wet, beautiful fields.

*Thump, Thump, Thump,*

I hope to win a race some day ,

*Thump, Thump, Thump,*

But that's just a wish.
