Dear Tourists,

First paragraph: *Catchy opening.* Summarize the region you are going to write about and explain how there are many reasons to visit, which you will discuss in your later paragraphs. (3-5 sentences total)

Second paragraph: Reason #1, described in detail. Where is this place? What can you do there? Who would like to go there? Is it a historical site? Is it better to visit during certain seasons? Are there exhibits, events, fun things to do here? (4-7 sentences total)

*If you are writing about historical sites in general, you can talk about a couple different examples in this one paragraph.*

Third paragraph: Reason #2, described in detail. Where is this place? What can you do there? Who would like to go there? Is it a historical site? Is it better to visit during certain seasons? Are there exhibits, events, fun things to do here? (4-7 sentences total)

Fourth paragraph: Reason #3, described in detail. Where is this place? What can you do there? Who would like to go there? Is it a historical site? Is it better to visit during certain seasons? Are there exhibits, events, fun things to do here? (4-7 sentences total)

Fifth paragraph: Your closing statement and a brief summary of why a tourist would want to visit your region. Your final sentence should be like your very first sentence...make them want to come! (3-5 sentences)
