

Ms. Coleman's Campers

4th Grade

2008-2009

Welcome to Success!!!

Dear Students and Parents,

Welcome to Fourth Grade at Estes Hills Elementary School! We are very excited about the new school year and have anxiously anticipated meeting you. We hope you had a wonderful summer and are ready to begin a new learning experience in fourth grade.

This year will be a stimulating, productive, and terrific year for all of our students. We will be communicating with you often about our classroom plans, academic progress, school events, and other activities as they arise.

When students arrive on Monday, August 25, we will review our room standards plan, homework policy, discipline plan, and our lunch and specials schedule. Copies of these plans and procedures will be sent home in our Camper Handbook, which you should review with your child. Additional information pertaining to volunteering, home-based parents, and expectations will be explained in detail during our Open House in September.

You can also obtain information about our classroom at www.mscoleman.com. I will continuously be updating the site with important events, dates, documents, and pictures, so be sure to check back often!

Let's all be prepared to **WORK** hard, try our **BEST**, and have some **FUN** this year!! I can't wait to begin our journey!

Sincerely,

Ms. Coleman & Ms. Virginia
